Empower Your Soul - to Inspire

Motivation

"Give a lecture to a thousand people. One walks out and says, I'm going to change my life." Another one walks out with a yawn and says, "I've heard all this before." Why is that? Why wouldn't both be affected the same way? Another mystery."— Jim Rohn

Ambition

"What you get by reaching your destination is not nearly as important as what you will become by reaching your destination."

Attitude

"It's not what happens to you that determines how far you will go in life ;it is how you handle what happens to you."

TRUE WEALTH

One day a father of a very wealthy family took his son on a trip to the country with the purpose of showing his son how the poor people live so he could be thankful for his wealth. They spent a couple of days and nights on the farm of what would be considered a very poor family. On their return from their trip, the father asked his son, "How was the trip?" "It was great, Dad." "Did you see how poor people can be?" the father asked. "Oh yeah" said the son. "So what did you learn from the trip?" asked the father. The son answered, "I saw that we have one dog and they had four. We have a pool that reaches to the middle of our garden and

they have a creek that has no end." "We have imported lanterns in our garden and they have the stars at night." "Our patio reaches to the front yard and they have the whole horizon." "We have a small piece of land to live on and they have fields that go beyond our sight." "We have servants who serve us, but they serve others." "We buy our food, but they grow theirs." "We have walls around our property to protect us; they have friends to protect them." With this the boy's father was speechless. Then his son added, "Thanks dad for showing me how poor we are."
