

DAILY INSPIRATION

a daily journal for self improvement

Empower Your Soul - to Inspire

Hope

"You cannot solve a problem until you acknowledge that you have one and accept responsibility for solving it."

Integrity Character

"If standard of living is your major objective, quality of life almost never improves, but if quality of life is your number one objective, your standard of living almost always improves."

Self Image

Far too many people have no idea of what they can do because all they have been told is what they can't do. They don't know what they want because they don't know what's available for them.

Words of Wisdom

IF YOU HAVE SOUND CHARACTER, YOU WILL FIND THAT YOU GENERALLY DO NOT WORRY ABOUT YOUR REPUTATION.

Thomas Jefferson once said that a majority is one man with the courage of his convictions. If you have the courage that comes from the sincere conviction that you are a person of sound character, an honest, dependable, kind, and caring person, you will never have to worry about what others think of you. If you know in your own heart that you are a good and decent person, you can meet life's challenges head-on and without fear of what others think.
